Как гусь всем завидовал

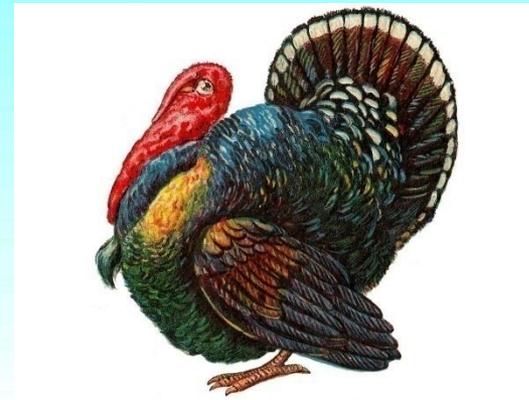

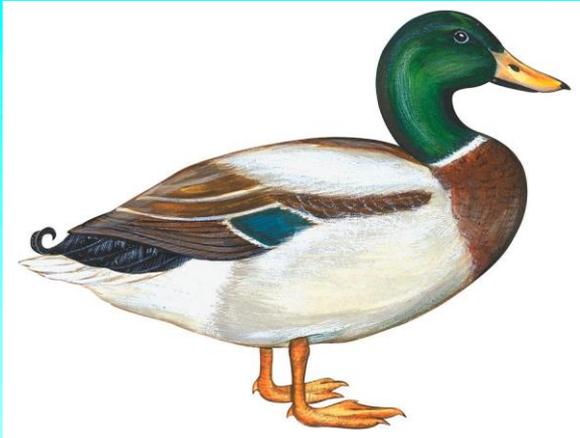

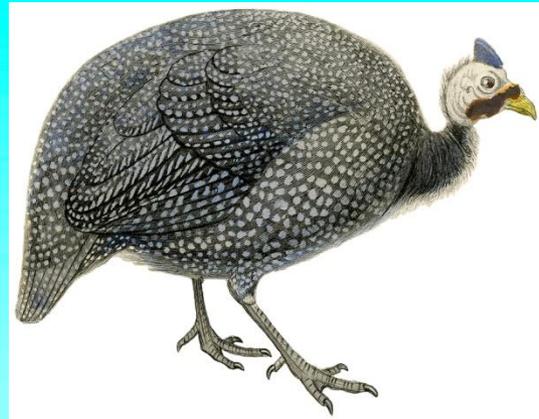

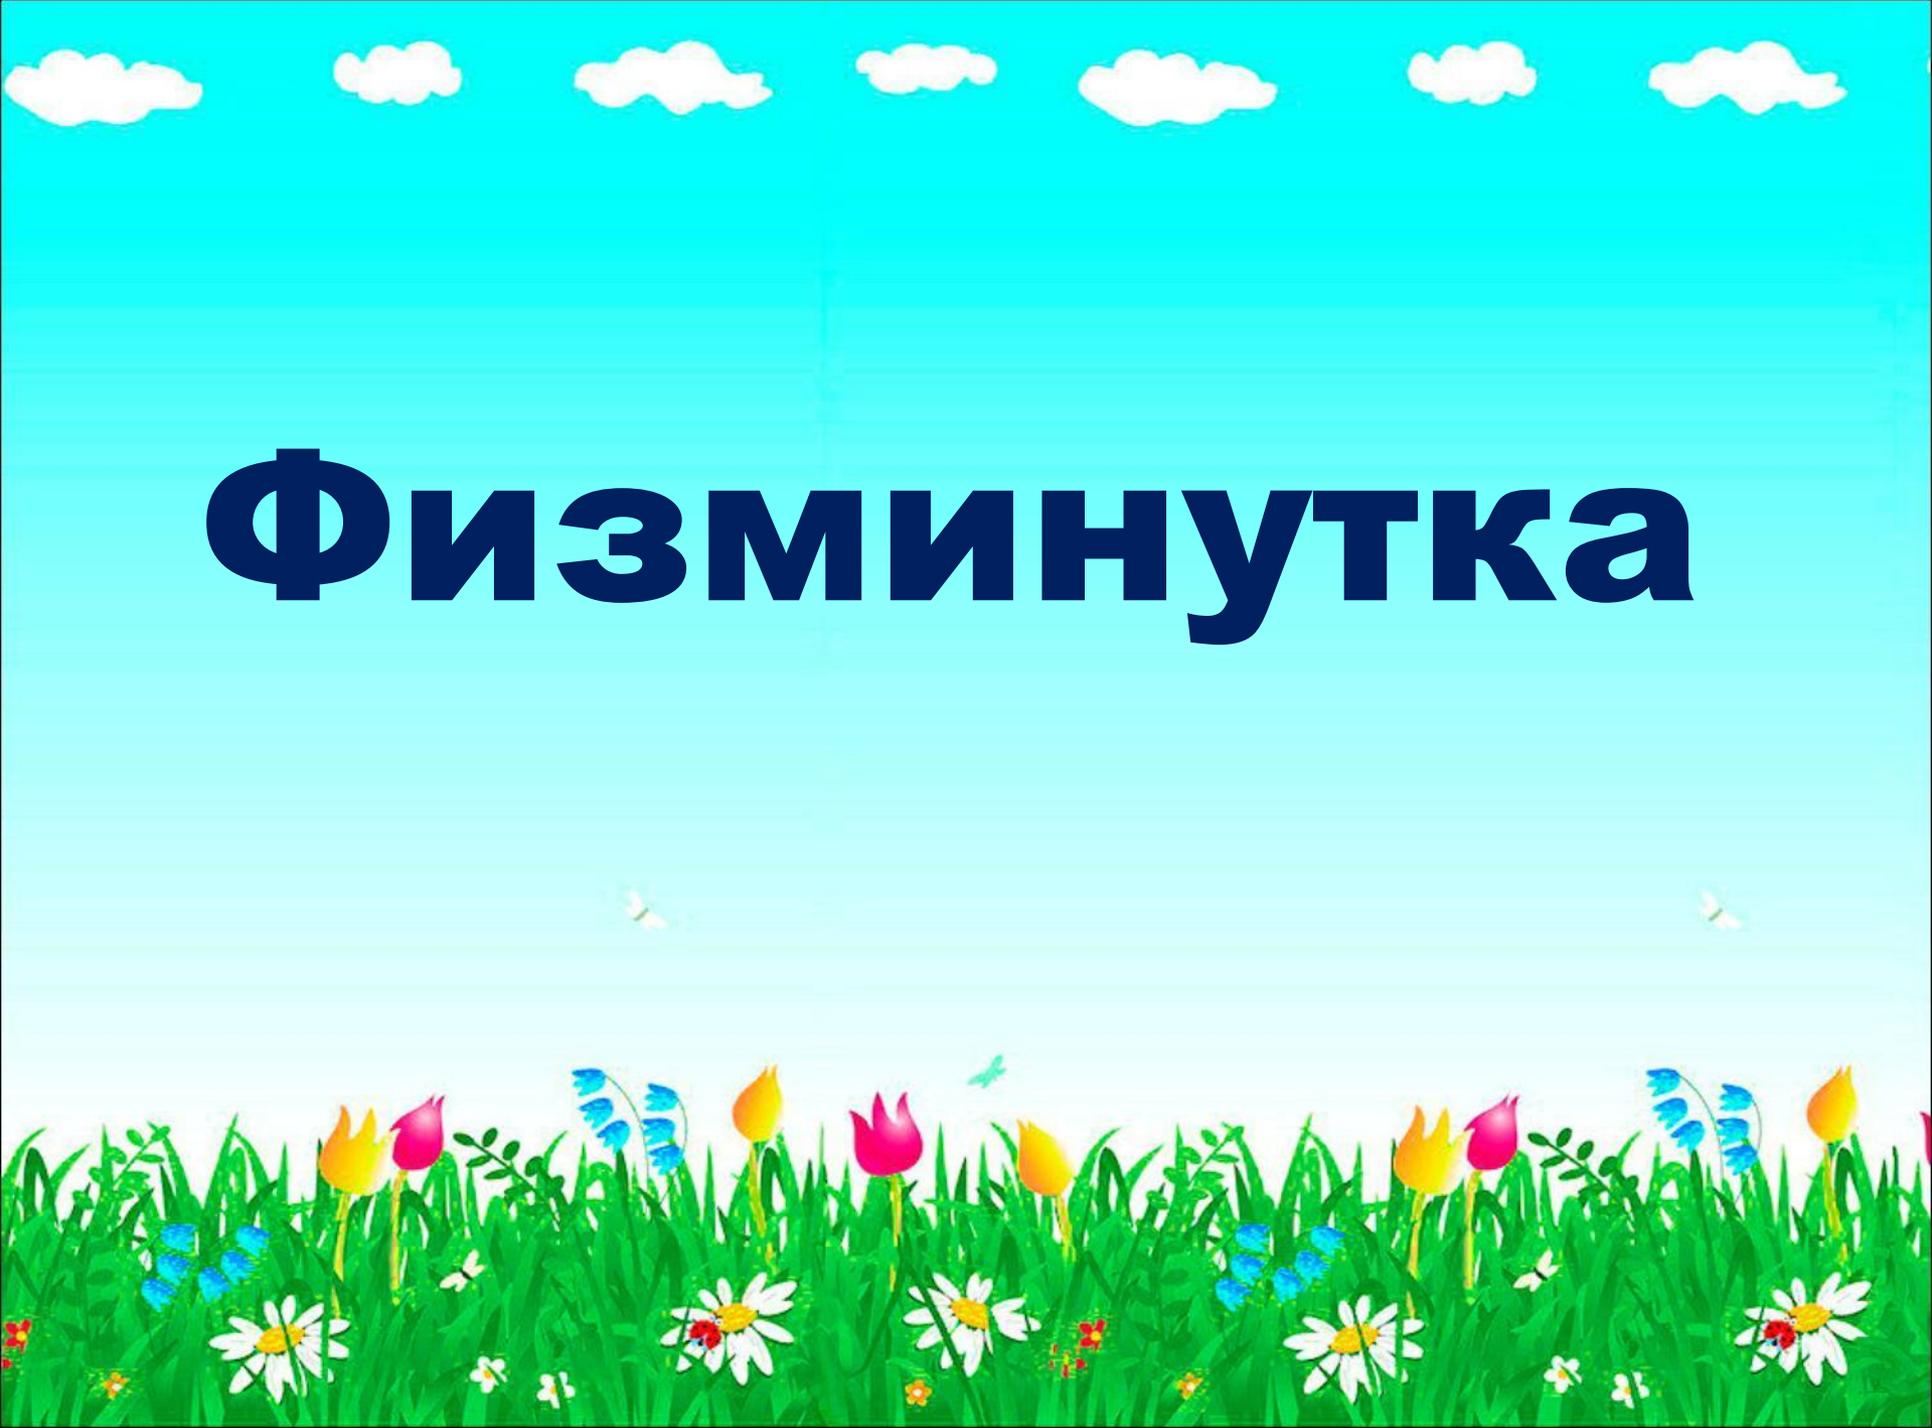

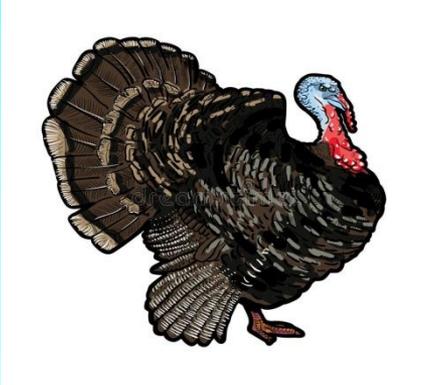

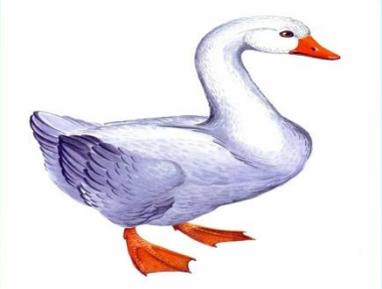

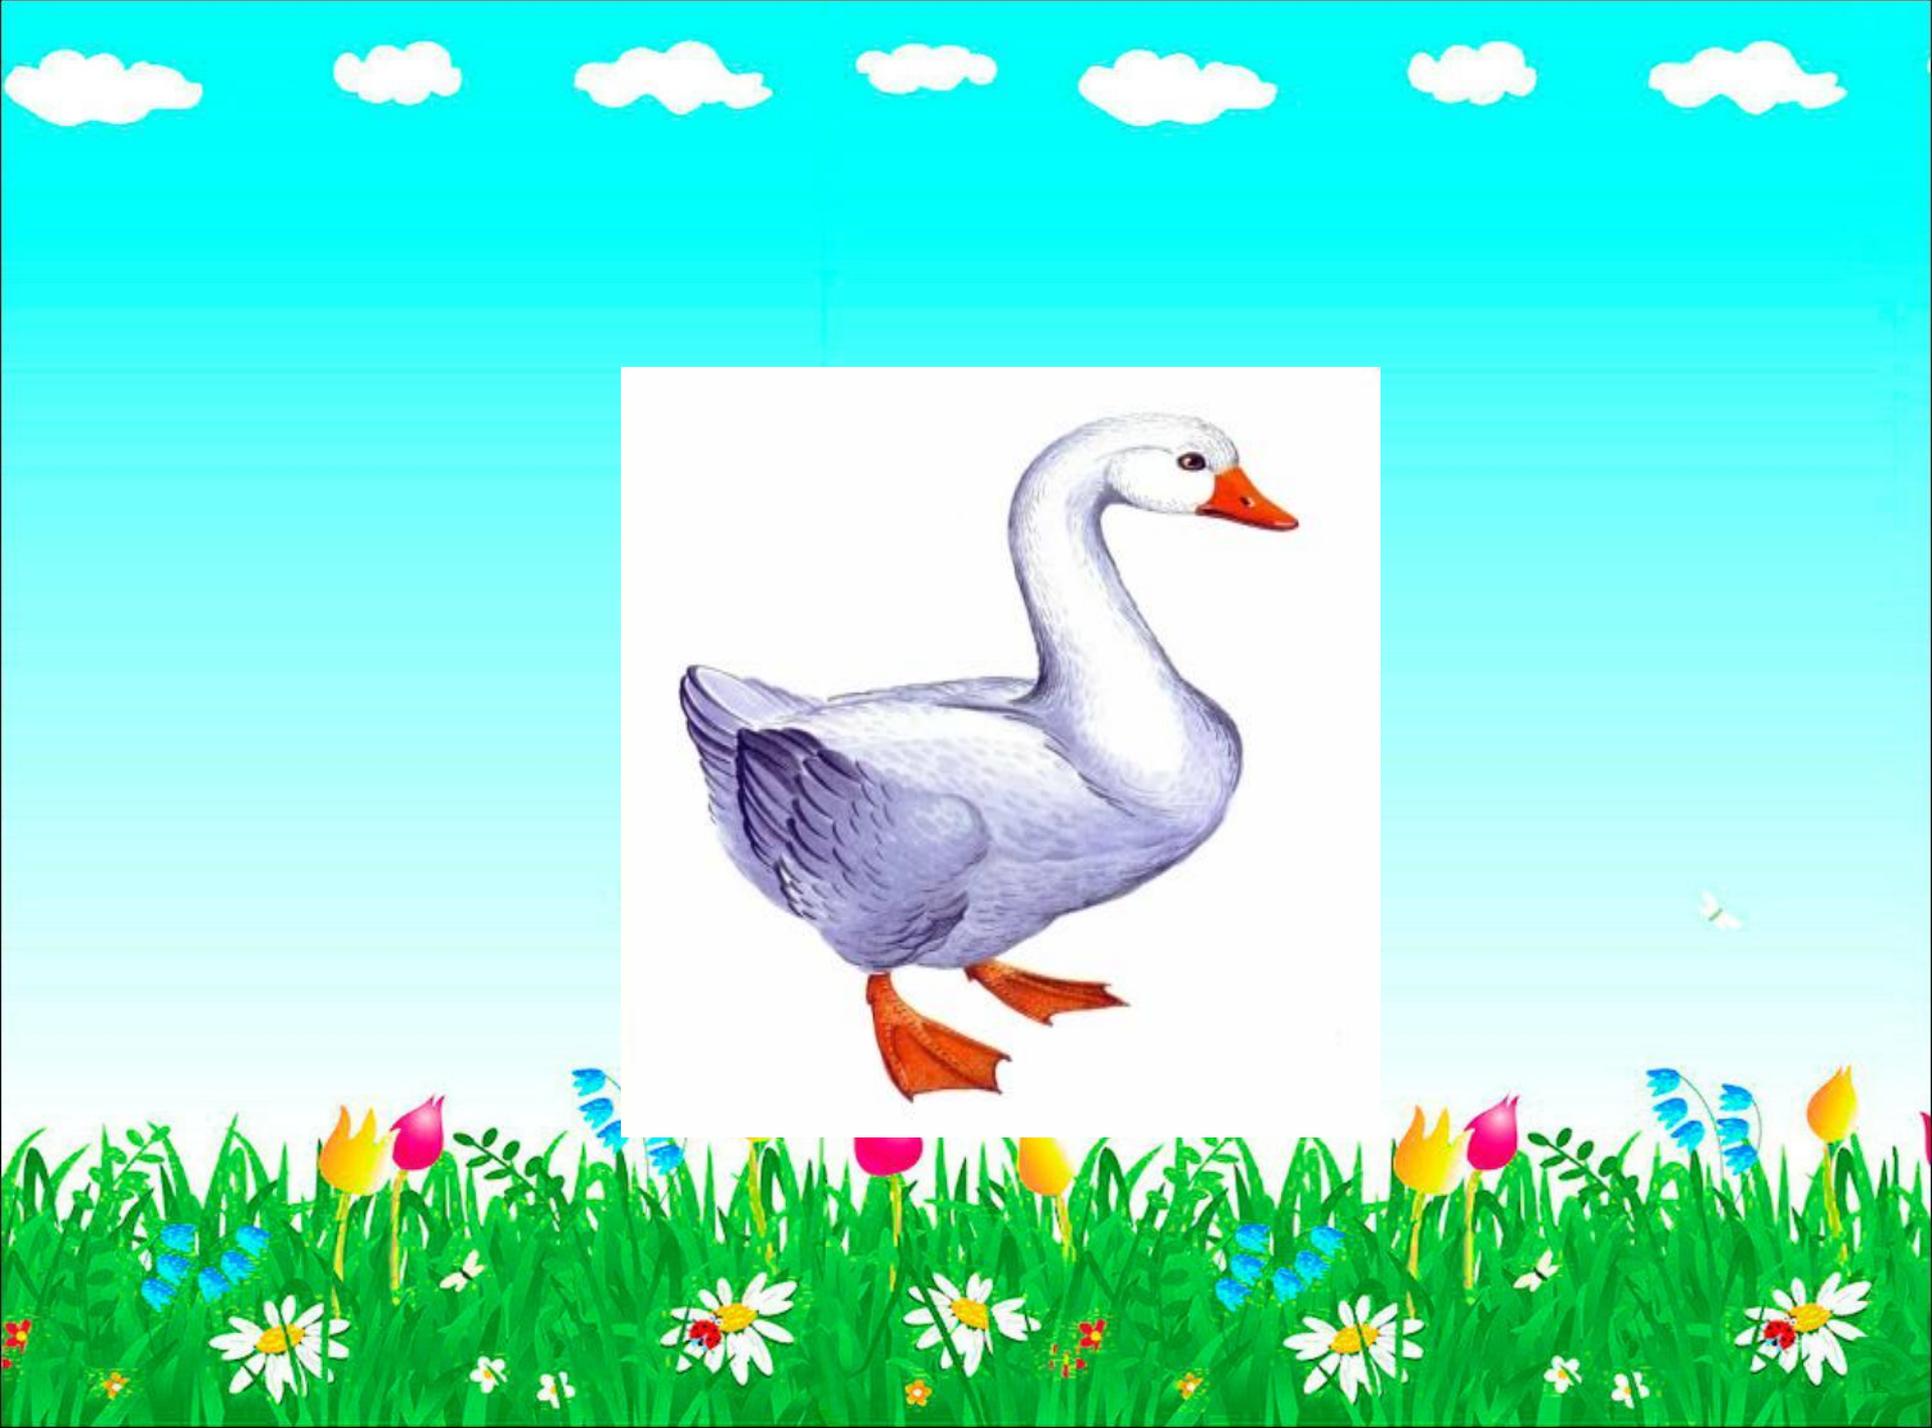

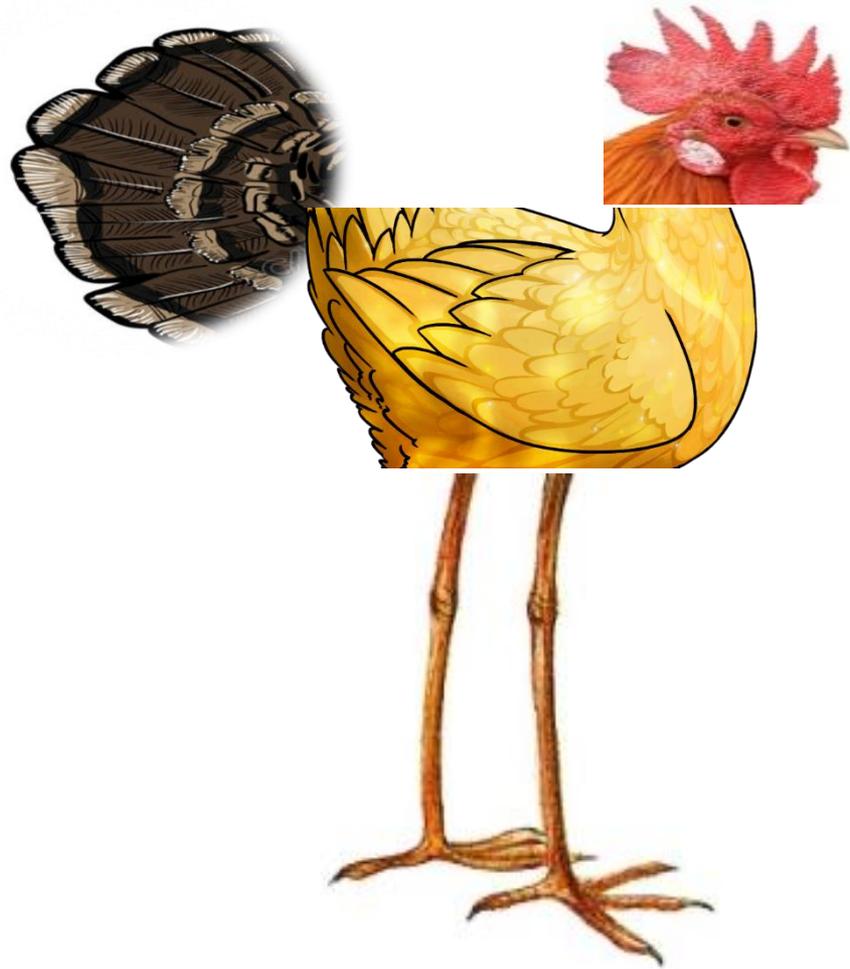

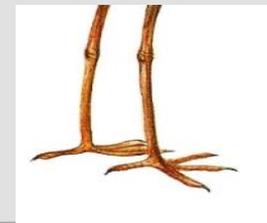

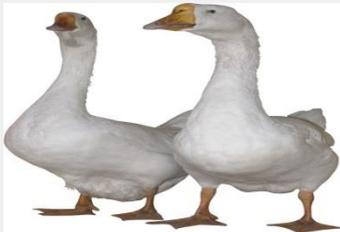

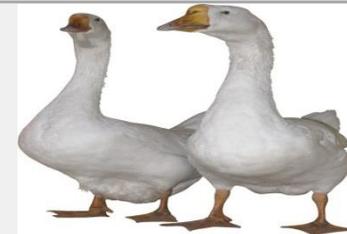

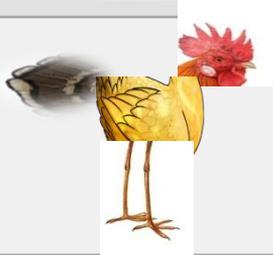

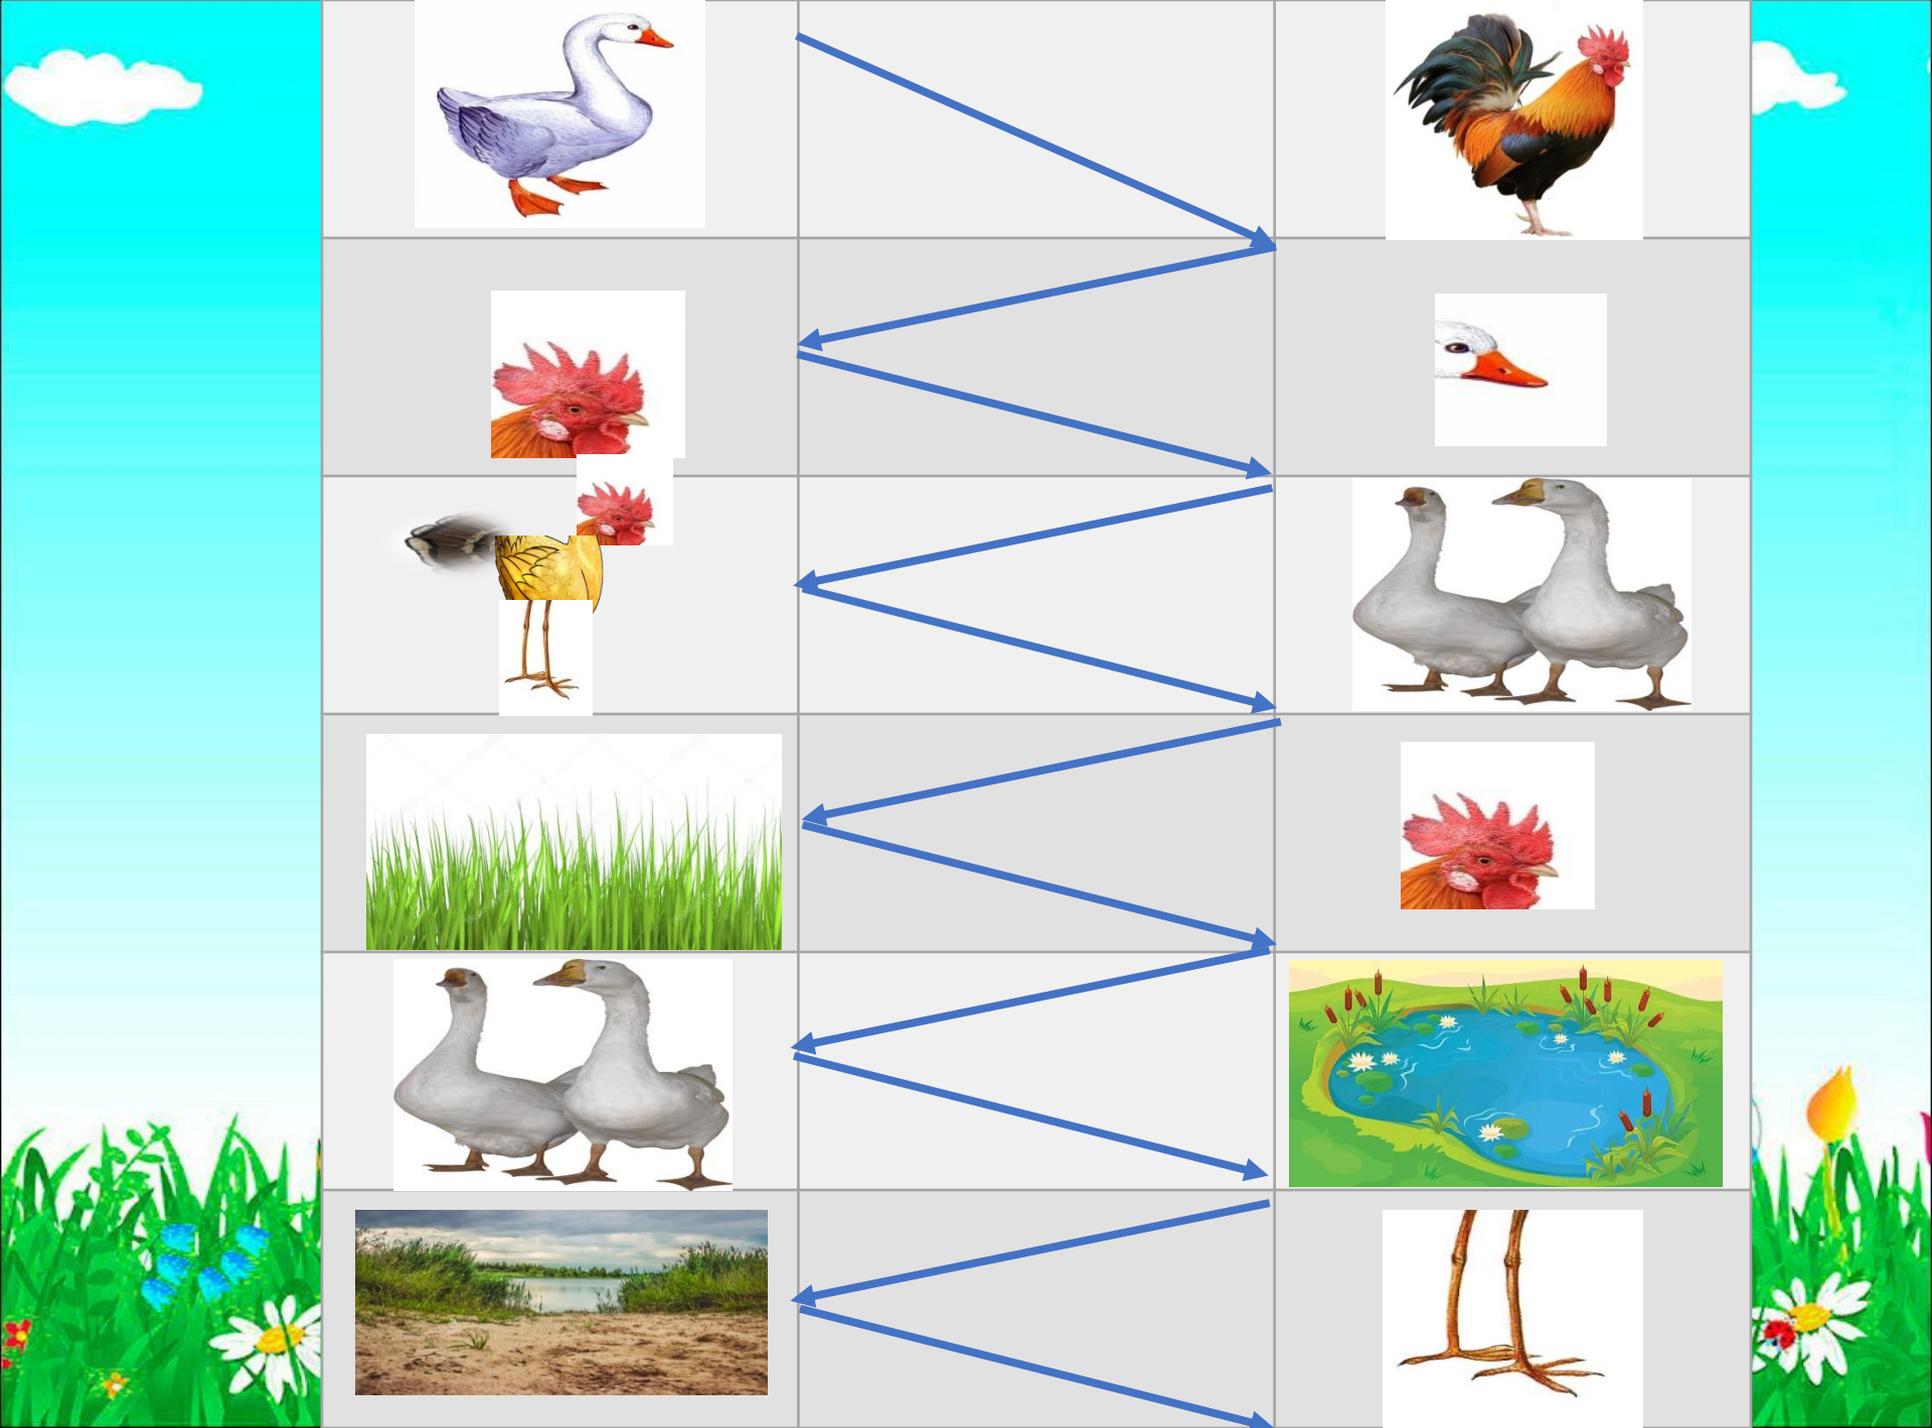

The background features a bright blue sky with white clouds at the top. Below the sky is a light blue gradient. At the bottom, there is a vibrant field of green grass with various colorful flowers, including tulips in yellow and pink, daisies, and blue flowers. Small white butterflies are scattered throughout the scene.

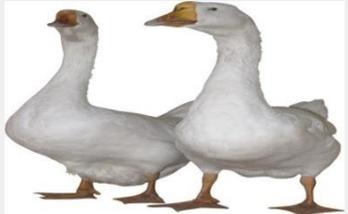

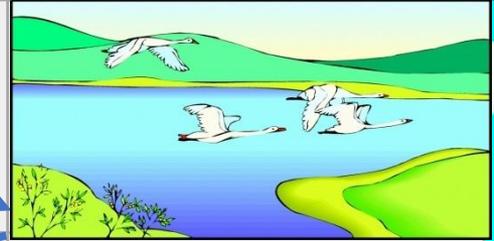

Физминутка

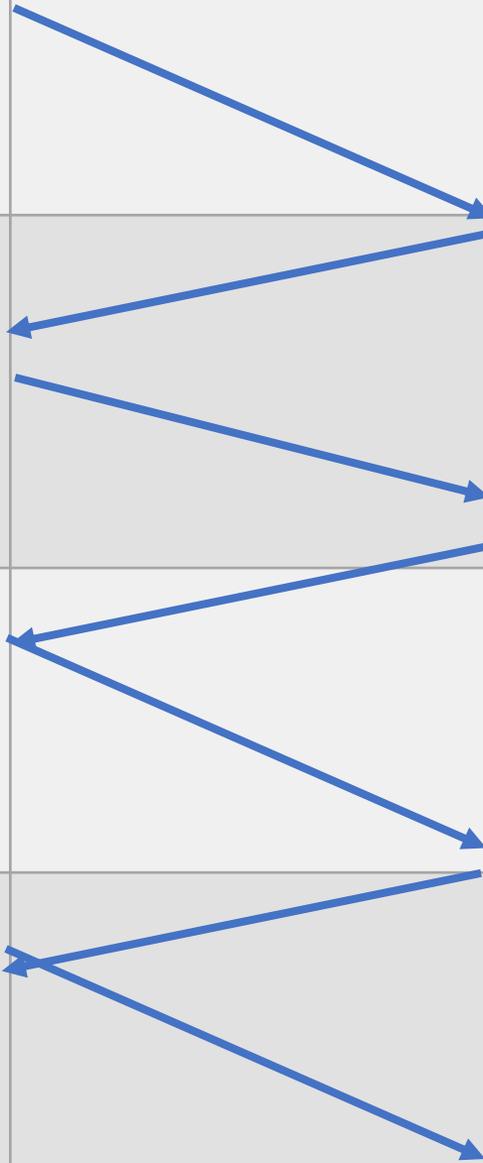

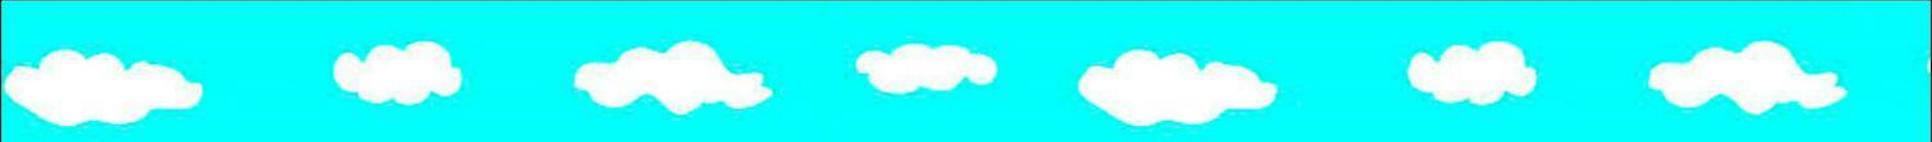

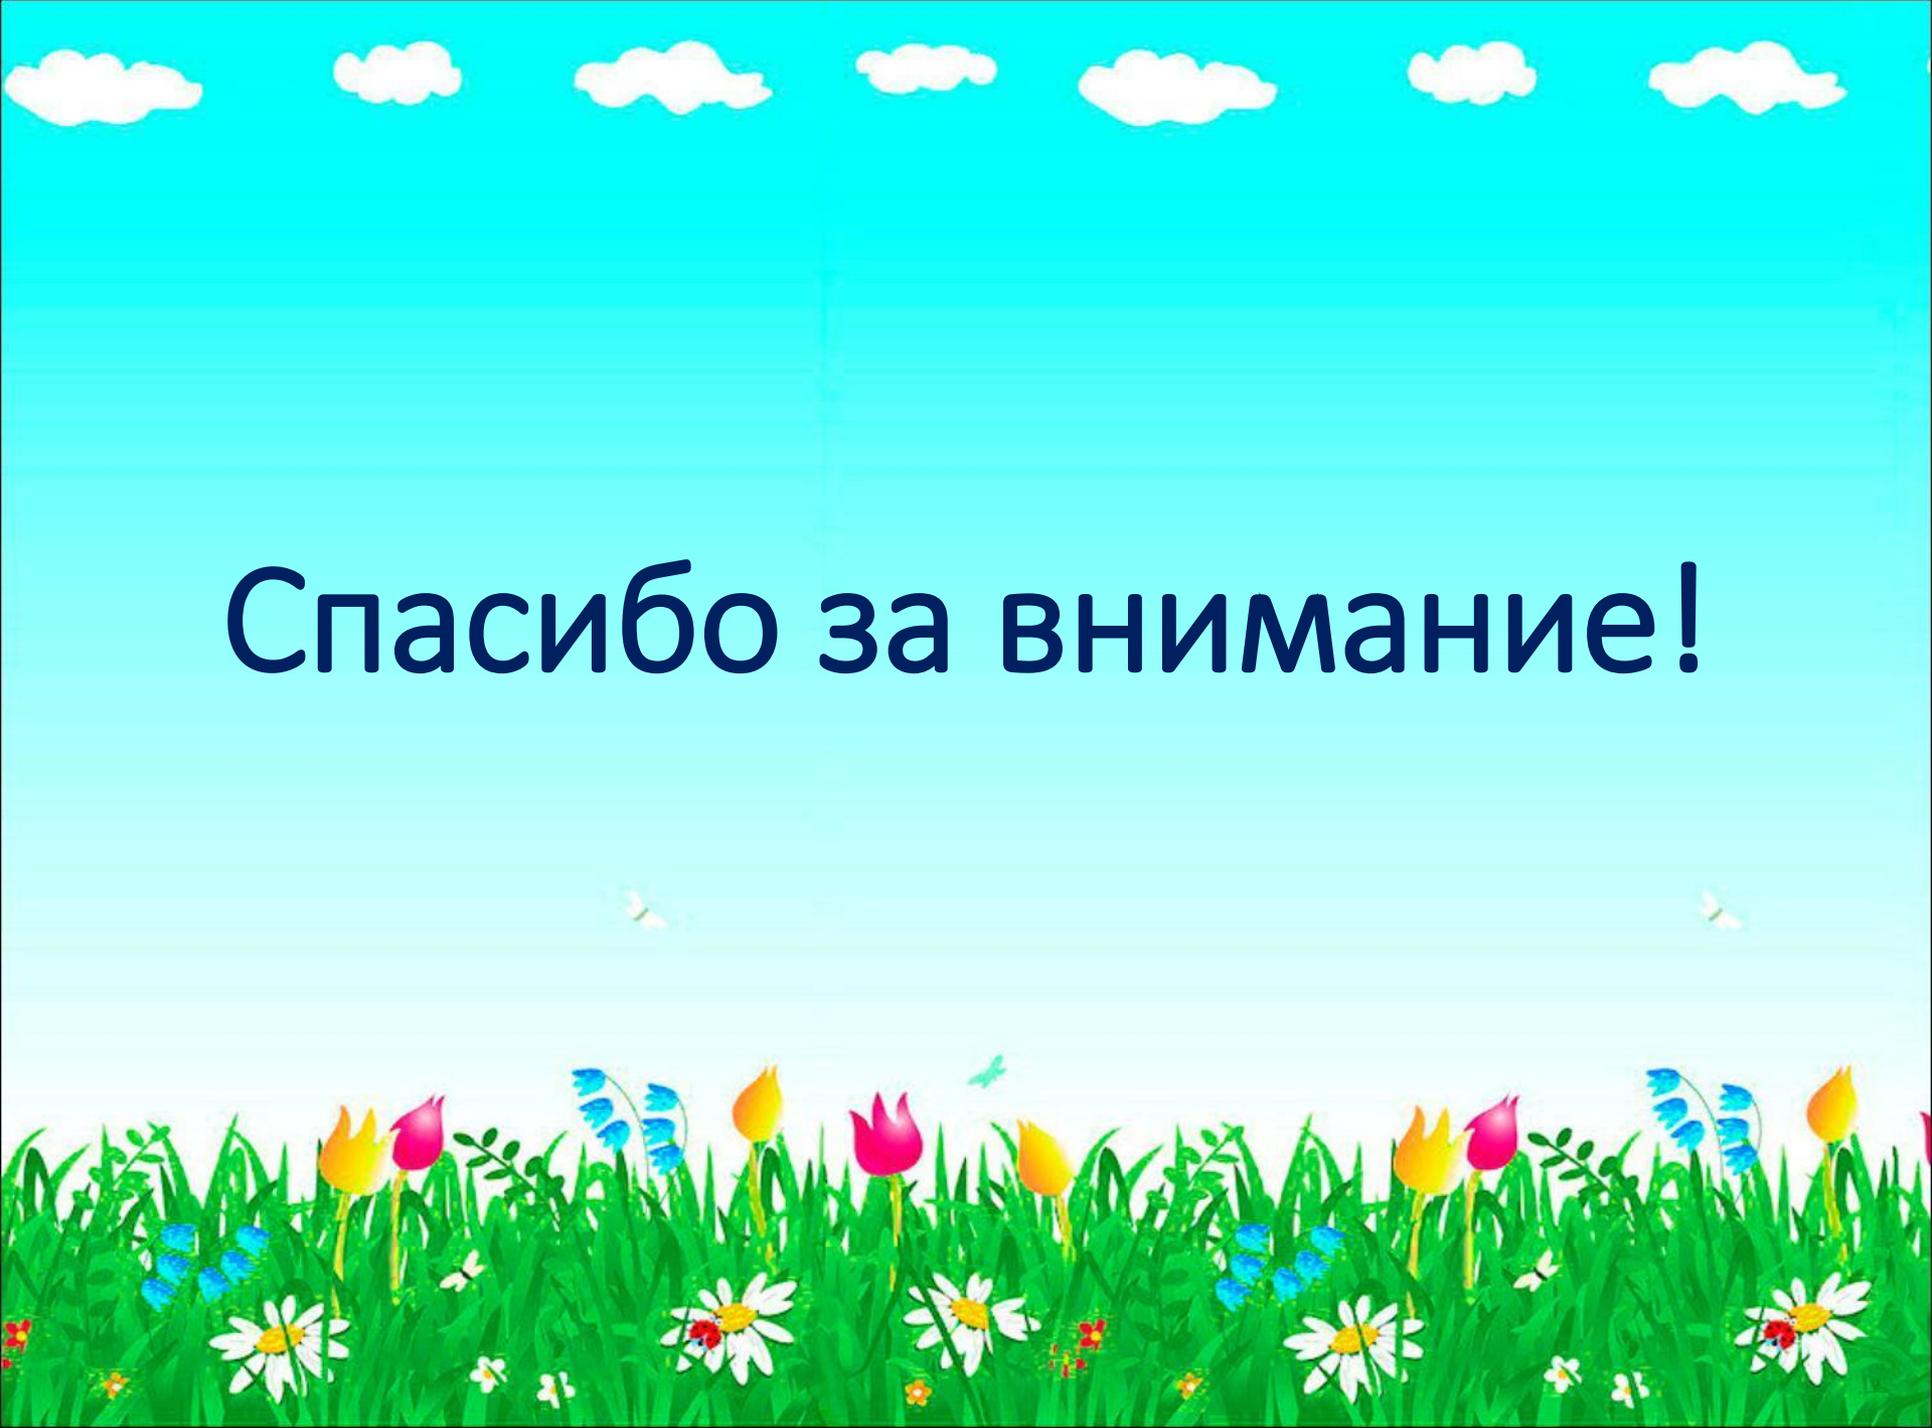

Я желаю, чтобы с вами
Людям было веселей,
Чтобы добрыми глазами
Вы смотрели на людей,

Чтобы были справедливы
И в решениях – мудры.
К людям будете добры –
Люди будут к вам добры.

Спасибо за внимание!
